

Panel 19 - Headline Report

29 May 2018

This Headline Report provides a record of the decisions made by the Panel.

1. Initial Written Assessment: CPM037 – Error Codes Updates

The Panel considered a Change Proposal that sought to align the Error Codes list in CSD 0301: Data Catalogue with the most recent version of CMOS following updates to the design of CMOS.

The Panel:

- **AGREED** to submit the change back to assessment, in order to develop an alternate solution that removes the requirement of error codes being included in CSD 0301.

2. Draft Recommendation Report: CPW035 – Updates to F/01 Form

The Panel considered a Change Proposal that sought to ensure that the F/01 form (Enquiries including record of drinking water enquires and concerns) can be used for Non-Household (NHH) enquiries of a more general nature as well as enquiries relating to drinking water.

The Panel:

- **AGREED** to recommend implementation of CPW035 to the Authority for approval;
- **AGREED** the recommended implementation date on:
 - 28 September 2018, if Authority approval is received by 31 August 2018; or
 - 1 December 2018, if the Authority decision is received before 1 November 2018.
- **PROVIDED** rationale as to whether the Change Proposal better facilitates the Objectives and Principles of the WRC.

3. Draft Recommendation Report: CPW036 – Trade Effluent Forms Updates

The Panel considered a Change Proposal that sought to change a number of sections in the G/02 form and introduces a new G/03 form into the market codes, which would be used to process trade effluent consent applications that are less than six months in duration. This proposal had been drafted and developed by the Trade Effluent Issues Committee (TEIC).

- **AGREED** to recommend implementation of CPW036 to the Authority for approval;
- **AGREED** the recommended implementation date on:
 - 28 September 2018, if Authority approval is received by 28 June 2018; or
 - 1 December 2018, if the Authority decision is received before the 1 September 2018.

- **PROVIDED** rationale as to whether the Change Proposal better facilitates the Objectives and Principles of the WRC.

4. Authority Decision on CPM008

On 8 May 2018, Ofwat concluded that CPM008: 'Redistribution of Market Performance Standards Charges' required further consideration. As a result, Ofwat sent CPM008 back to the Panel for further assessment. The Panel reviewed a paper containing the proposed approach to this assessment as well as the matters for further consideration.

The Panel:

- **AGREED** the matters for consideration in relation to CPM008 as set out in this paper;
- **AGREED** to delegate responsibility for assessing these matters to the Market Performance Committee (MPC); and
- **AGREED** that the MPC should make its recommendation on CPM008 to the Panel no later than October 2018.

5. Draft Recommendation Report: CPW019 – Alternative Eligible Credit

The Panel considered a Change Proposal that sought to provide access to an Unsecured Credit Allowance for Retailers that have Trade Credit Insurance in place.

The Panel:

- **AGREED** to recommend implementation of CPW019 to the Authority for approval;
- **AGREED** the recommended implementation date on: and
 - 31 July 2018, if the Authority decision is received by 27 July 2018; or
 - 5 Business Days after the Authority decision, if received after 27 July 2018.
- **PROVIDED** rationale as to whether the Change Proposal will or will not better facilitate the WRC Objectives and Principles.
