Videoconferencing

This Headline Report provides a record of the decisions made by the Panel.

1 Change Report

The Panel considered the amended change plan for '[CPW105: Provisions of Information Obligation](#)'.

The Panel:

- **NOTED** the Change Report;
- **APPROVED** (unanimous) the amended plan for CPW105: Provisions of Information Obligation

2 CPW126 'Settling of Post RF Primary Charges' (Recommendation Report Addendum)

The Panel considered an addendum to the Final Recommendation Report to [CPW126: Settling of Post RF Primary Charges](#). This was required to ensure that the change proposal reflected the revised code principles which were implemented in the Wholesale Retail Code (WRC) on 1 September 2021 and would therefore enable Ofwat to form an opinion to approve or reject CPW126.

The addendum described how CPW126 furthered the current Principles of the WRC. The current timeline for implementing the change remained unaffected.

The Panel:

- **NOTED** the updated Final Recommendation Report for CPW126
- **AGREED (majority)** the revised rationale for how CPW126 furthered the principles of the WRC (10 in favour, 1 against).
